Dear pen pal,

My name is Linda and I'm 14 years old. My birthday is on 7th April, so I will be 15 next April!!!

I live in Boston with my mum and my dad. My dad's name is Peter and he is 47 years old. My mum's name is Madison and she is 45 years old. I am a student at Western High School and my cousin goes to this same school. She is in Year 10 and she is a very good student.

I am not a very sporty person, but I do gymnastics and pilates and I go dancing once a week because I love dancing! I also like reading and going out with my friends. My favorite color is blue and my favorite singer is Adele. I really like all her songs.

This is me. I'm looking forward to hearing from you.

Kind regards,

Linda
